Serial No	
4	From The Comptroller Letter no Loans 612 dated 21-2-27 requesting to be informed, as to with at what rate interest has to be received from the Mdlty Dhanuja for the balance of Rs 16000/ due from it since the time for the payment has been extended to 10 years
6L 2	In the P.C. dated 20 8 27 it was stated that interest on the balance of Rs 16000/ will be waived if the Mal Council Dhanuja arranges to clear off the dues in 6 annual instalments of Rs 2500/- each
F	Subsequently the Mal Council pleaded inability to provide for the above instalments on the score that they have other Commitments & that the instalment was rather high & urged that the time may be extended from 6 to 12 years
L	Accordingly it was ordered in the later P.C. dated 20 12 27 that the dues may be paid in 10 annual instalments of Rs 1600/- each without any proviso regarding the waiving of the interest.

The Comptroller now seeks instructions whether interest has to be charged on the said balances since the conditions of the first G-o are not fulfilled

It seems that interest has to be charged only if the Mal cannot fail to make any provision for the payment of the instalment & that no interest need be charged if they are regular in paying the above - As the rule was framed in April 27.. [illegible] the Comptroller may perhaps be informed accordingly if approved draft is submitted for approval or other orders & Draft also Connected

This will be provided in the budget for 1928-29 in pursuance of the
